Subject: SOT FDA Colloquium on Emerging Toxicological Science - Contemporary

Issues in Risk Assessment

Bob, Keith,

Just wanted to inform you that FDA is holding a colloquium with the Society of Toxicology on Contemporary Issues in Risk Assessment the morning of June 17, 2015 which will be held at the Wiley building (College Park MD) and webcast. Registration is free (but required) and detailed information is provided below:

1. Attached is the agenda for the June 17, 2015 SOT FDA Colloquium on Contemporary Issues in Risk Assessment.

The SOT website has very recently been revised and therefore those who have not already registered should use the following links:
Colloquium 4 page: http://www.toxicology.org/events/shm/fda/fdaColloquia.asp
Overall colloquium page: http://www.toxicology.org/events/shm/fda/fda.asp
Colloquium 4 Registration links
